During the leap year of 1948, on Feb. 29, St. Thomas More Catholic Church was dedicated, making 2022 our 74th year of worship & service to our Lord Jesus Christ! What an amazing 74-year journey it has been! All honor, glory, and praise to you Lord Jesus Christ! Today Sunday, Feb. 27, 2022, there will be a special commemoration after Mass of the new St. Thomas More statue followed by a barbecue. Please join us after Mass for our celebration!

However, while 74 years is big, next year, 2023, will be an even bigger 75 years and that's when we plan to pull out all the stops with a super celebration of praise and thanksgiving. So please mark your calendar for 2 special dates: 1) this year, Sunday, Feb. 27, & 2) next year, Feb. 28, 2023! Questions? See Greg Kidder. Please note: the exact date of our Feb. 2023 celebration has not been confirmed but you will be advised in plenty of time!

Before the official dedication, the new bronze statue was on display in the narthex of the church. A few candid pictures:
